1. In line with the preparation of the opening of classes for SY 2022-2023, this Office implements the **"Brigadahan sa LR 2022"** from **August 8 to 12, 2022**.
2. Brigadahan sa LR may include but is not limited to the activities on fixing the reusable Self-Learning Modules, textbooks, learners' materials, supplementary reading materials, and other types of Learning Resources by disinfecting, dusting, applying adhesives, and putting cover on the learning materials. Further, it is advised also to conduct a campaign on using reusable SLMs by posting on social media and hanging tarpaulins on the school premises. The design and layout of the tarpaulin will be provided through a google drive via messenger group chat of District and School LR Coordinators. In the tarpaulin design, schools are advised to change the part where the DEPED-REGION XI is written to NAME OF SCHOOL.
3. This Office advises the schools to ensure that all Self-Learning Modules are accounted with proper listing/recording found in the custodians of these SLMs and make sure that these SLMs are visible and properly stored in the designated areas. In line with this, all school LR Coordinators are required to submit an **Inventory Report for all learning resources** (Self-Learning Modules and Textbooks) present in the school. The Inventory Report Template is attached to this memorandum. This is to ensure that all learning resources are available and ready to use for School Year 2022-2023.
4. There will be a Google Drive to be sent to the LR Coordinators' GC for the storage of documents and reports with folders by District. Documents to be submitted are: scanned monitoring tool duly signed by authorities, pictures before-during-after the preparation and proper storage of SLMs, pictures of hanging tarpaulins, and screenshots of social media campaigns on Brigadahan sa LR.
