Division Immersion Focal Person

Dear Sir,

Good day!

One of the goals of the K to 12 Basic Education Program of the Department of Education is to develop the learners' competencies, work ethics and values relevant to pursuing further education and/ or joining the world of work. Essentially, a two-year specialization is added to the old basic education curriculum which is called the Senior High School Program.

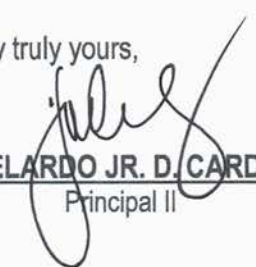

Senior High School students have to undertake the Work Immersion Program which is a key feature of the SHS Curriculum under the TVL Track and one of the course requirements for graduation. Through this, the students are exposed to and are familiarized with the work-related environment related to their field of specialization.

In connection to this, we would like to request permission from your good office to conduct the said Work Immersion Program of our **ELECTRICAL INSTALLATION AND MAINTENANCE** students (25 students) at Panabo United Skilled Electrician Association, **COOKERY** (3 students) at Molave Hotel, and **SHIELDED METAL ARC WELDING** (22 students) at the Local Government Unit of Carmen this School Year 2024-2025.

Your support and approval of this request will be a very great help in enhancing the full potential of our students.

Thank you and God bless!

Very truly yours,

ABELARDO JR. D. CARDINAL
