Sir/Madam:

Greetings of peace and prosperity!

Sonlon National High School - Senior High School offers Technical-Vocational-Livelihood (TVL) Strand - Agricultural Crop Production NCII with fifty-two (58) learners and General Academic Strand (GAS) with the Elective Food and Beverage Services with forty-one (19) learners. The school is now working to comply DepEd Order No. 30, s. 2017 entitled "Guidelines for Work Immersion" which clearly emphasizes Sec 1. Learners should develop the competencies, work ethic, and values relevant to pursuing further education and/or joining the world of work.

Anent to this, we would like to ask permission to have an on-site work immersion of the 77 learners within Davao del Norte. It is understood that the school has to submit the requirements prior to the activity and to follow the policies stipulated in DO 30, s. 2017 and DO 39, s. 2018.

Your Office is rest - assured that the said program shall be closely and properly supervised and monitored in coordination with partner industries to ensure safe working environment for our learners. Further, health protocols as required by Inter-Agency Task Force (IATF) shall be imposed.

May our desire to provide on-site quality exposure in their chosen field merit your approval.

Very truly yours,

MARIETTA R. RANIS, EdD.
