G. Disqualification Rules

Maintaining honesty and integrity is crucial. Here are some common disqualification rules related to dishonesty:

- a. **Cheating:** Any form of cheating, such as using unauthorized materials or communicating with coaches or external individual and parties.
- b. **Plagiarism:** This Department reiterates its stand to disqualify school paper found to have copied and published texts, graphics, and other materials without duly acknowledging their sources. The disqualification covers all sections of the school paper whether they are published in print or electronically. The Division Supervisors In-Charge of campus journalism shall be responsible for this aspect.
- c. **Violation of Guidelines:** Not adhering to the stipulated guidelines, such as those related to the technical, format or content of submissions, can also lead to disqualification.

The decision of the board of judges in these matters is typically final and irrevocable. These rules help ensure that the school press conference is fair and that the work presented is original and truthful.
