DIVISION OF DAVAO DEL NORTE

---

**Materials (Provided by the Facilitator):**

- A set of 7 tans, which includes:
  - 2 large triangles
  - 1 medium triangle
  - 2 small triangles
  - 1 square
  - 1 parallelogram

**Game Setup:**

1. The facilitators will distribute three tangram sets to each player or group.
2. Players will receive three reference pattern to replicate

**Pattern Categories: (at random two out of three patterns)**

- **Pattern A** – Easy (Closed figure with 3 to 5 sides)
- **Pattern B** – Average (Closed figure with 6 to 8 sides)
- **Pattern C** – Challenging (Closed figure with 9 to 12 sides)

**Basic Rules:**

1. **Use All Seven Pieces** – Players must use all seven tans to complete the shape. No piece should be left unused.
2. **No Overlapping** – Tans cannot overlap or be placed on top of one another. Each tan must lie flat without overlapping edges.
3. **Fit Within the Outline** – The completed tangram must fit perfectly within the shape's outline.
4. **All Pieces Must Touch** – All seven tans must be placed so that they are adjacent or touching, forming a continuous figure.

**Winning the Game:**

**Accuracy and Time** – Players are given 15 minutes to replicate the given patterns (Pattern A, B, and C). The team who completes, with accurate solution using all shapes in the shortest time wins.

**E.MECHANICS AND GROUND RULES FOR RUBIK'S CUBE- NumbeRace**

- a. General Rule ,the mechanics set for NumbeRace must be followed.
- b. The cube to be used should be in standard color orientation (yellow, white, red, orange, blue and green). Only 3x3x3 cube will be used for the individual event for NumbeRace event.
- c. Each player will prepare (1) Rubik's Cube. Borrowing cube during the game is not allowed.

---

**Timer**

A timer will be used during the event. Player must be the one to start/stop their timer. When the timer is already stopped, moving/turning the cubes is strictly not allowed. Cellphones or stopwatch is allowed as timer.

**Scramble**

There will be a set of uniform scrambles for the single round. Scramblers assigned should see to it that scrambling is properly done.

The player will solve their cube (1 cube) in the shortest possible time based on the pattern given and solve the six sides of the cube.

Example:

When the player stops their timers, their cube should show the pattern in correct color combinations. Player who have not solved their cube and unable to follow the colors/pattern in a given time of 15 minutes will receive zero (0) point.

Players will solve the six sides of the cube.

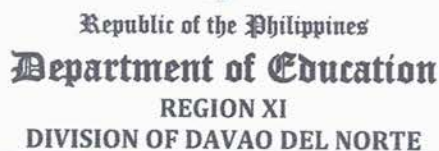

**F. RULES FOR TOWER OF HANOI COMPETITION****General Rules**

1. All levels will be playing seven (7) disks. The materials to be used in this competition will be provided by the management.
2. Please observe silence at all times once the game started. No participant is allowed to conduct practice inside the room while starting the competition to avoid destruction
3. The facilitator of this game has the right to refuse any participant who will disobey the rules. Any improper gestures, misconduct behaviors or any unethical attitudes towards other participant, facilitators and the management will be dealt accordingly.
4. All decisions and results are final and irrevocable
5. All protests and complaints should be done before the start of the next competitor.
6. Fifteen (15) minutes grace period will be given to the late comers in each level. Any participant who will arrive late will be disqualified.

**Game Mechanics**

1. The goal of the puzzle is to move all the disks from the leftmost peg to the rightmost peg, adhering to the following rules:
  - a. Move only one disk at a time.
  - b. A larger disk may not be placed on top of a smaller disk.
  - c. All disks, except the one being moved, must be on a peg.

2. Once the disc dropped, the competitor may continue solving the puzzle but he/she is not allowed to restart all the discs.
3. Once the competitor placed the disc at the wrong peg, (and is legal) he/she is allowed to continue to play unless conceded.
4. All participants are allowed to solve the puzzle in at most ten (5) minutes, otherwise, it is tantamount/commensurate to automatic disqualification.
5. The time will stop, once the competitor drops the last disc on the last peg.
6. Mode of Penalty will be given depending on the following conditions:
  - a. Moving 2 discs at a time
    - **1st Offense – Warning**
    - **2nd Offense – Disqualification**
  - b. The disc is not dropped to the peg before moving the next disc on the other peg.
    - **1st Offense – Warning**
    - **2nd Offense – Disqualification**
  - c. Placing larger disc on a smaller disc      **Disqualification**
7. In case that the student is disqualified in any round, it is commensurate to the maximum number of time limit of 5 minutes. All consumed time will be recorded and added and the average will be computed.
8. The Top 5 students who made the fastest time average will be declared as 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup> placer respectively.
9. All results will be tabulated and encoded by the official tabulator and will be finalized by the game facilitator.
