Subject: **SAN ISIDRO DISTRICT TUKLAS PHASE 4 DATA ANALYSIS**

Date: May 6, 2025

1. The field is hereby informed on the conduct of **San Isidro District Teachers Upskilling Knowledge on the Latest Advances and Strategies in Research (TUKLAS) Phase 4 – Data Analysis** on **May 8-9, 2025** at **San Isidro District Training Center, Sawata Ernandcor Central Elementary School, Sawata, San Isidro**.
2. **Phase 4 - The Data Analysis Phase** is a crucial component of the research cycle, as it serves as the bridge between raw data and meaningful insights. Without a systematic approach to analyzing data, research findings remain inconclusive and lack credibility. This phase allows San Isidro district researchers to examine patterns, relationships, and trends within their dataset, ultimately supporting or refuting their hypotheses.
3. Attached is the list of teaching and non-teaching personnel, school heads, panel of examiners and resource speakers for the Phase 4 Data Analysis Phase of San Isidro District TUKLAS research initiative.
4. The teaching personnel involved in this activity are entitled to 2-day service credits for the services rendered during summer vacation as stipulated in DepEd Order No. 53, s. 2003.
5. Traveling and other incidental expenses during the event shall be chargeable against the school Maintenance and Other Operating Expenses (MOOE) and other local funds subject to the usual government accounting and auditing rules and regulations.
6. Immediate dissemination of this Memorandum is desired.
