EPS-Senior High School

Dear Dr. Daclan:

Warm greetings of love and compassion!

In line with the continuous enhancement of the Senior High School (SHS) curriculum, Igangon Integrated School is preparing to implement standardized and industry-responsive instruction as mandated by the Department of Education. Based on our recent needs assessment and community consultation, our school is set to offer additional **Technical-Vocational-Livelihood (TVL)** strands to address local market demands and better equip our learners for employment.

In connection with this initiative, we respectfully seek your technical guidance and support in facilitating a smooth and successful application process for the proposed strand offerings, in preparation for the full implementation of the SHS revised curriculum by School Year 2026–2027.

We look forward to your positive response and continued assistance in this endeavour.

Thank you.

Respectfully yours,

for: Hanjannah
