Sir:

Greetings of respect!

We respectfully request approval to deploy our Senior High School students under the Humanities and Social Sciences (HUMSS) strand and the Technical-Vocational-Livelihood (TVL) strand for their Work Immersion as part of the requirement for the Senior High School curriculum.

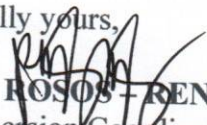

The HUMSS students are proposed to be deployed at the Local Government Unit (LGU) Kapalong, where they will be exposed to various public service offices, engage in frontline observation, and participate in basic clerical and administrative tasks aligned with their field of study. Meanwhile, the TVL students are proposed to undergo their immersion at Umaverde Farm Learning Center, and ARC Agri-Venture, where they will gain hands-on experience in agricultural operations, crop production, and other farm-based competencies that are aligned with their specialization.

These partner institutions have expressed their willingness to accommodate and guide our learners throughout the duration of the immersion period. We assure your good office that strict monitoring and supervision will be conducted by the Work Immersion Coordinator and assigned teachers.

Attached herewith is an undertaking as proof that the students have complied with the necessary requirements for Work Immersion. In view of the foregoing, we respectfully seek your favorable approval for the deployment of our HUMSS and TVL students to the aforementioned immersion venues.

Thank you very much for your continued support to Sampao Integrated School and to our learners' growth and development.

Respectfully yours,

  
**RENALY ROSOS-RENDON**  
Work Immersion Coordinator
