Subject: **PARTICIPATION IN THE ROBO WHEELS: INNOVATION FOR EVERY JUAN MOBILE ROBOTICS EDUCATION CARAVAN**

Date: March 2, 2026

1. In line with the commitment to strengthen Science, Technology, Engineering, and Mathematics (STEM) education in public schools, this Office informs the field of the upcoming Robo Wheels: Innovation for Every Juan project initiated by the Marsman Drysdale Foundation, Inc. (MDFI) in partnership with Ateneo de Davao University (AddU).
2. Following its **official launch on March 4, 2026 in Davao City**, the Robo Wheels Caravan will conduct activities in **selected schools** in DepEd Davao del Norte on the following dates:  
**March 5, 2026 – Marsman National High School and Marsman Elementary School, Sto. Tomas West District;**  
**March 6, 2026 –Luna National High School and Luna Elementary School, Kapalong West District.**
3. The program aims to enhance STEM learning through hands-on robotics activities **during Science class hours to minimize disruption of regular classes**. The caravan is equipped with advanced learning tools such as collaborative robotic arms, AI-powered robots, Arduino kits, drone simulators, and 3D printers. Sessions will be facilitated by experts from AddU's Robotics Engineering Department, providing students and teachers with interactive and practical learning experiences.
4. Everyone is highly encouraged to continually support and recognize the value of equality and diversity of all personnel while complying with the directives set forth by this office.
5. Immediate dissemination of this memorandum is desired.

Dear **Sir Baguio**,

Greetings of peace!

On behalf of the **Marsman Drysdale Foundation, Inc. (MDFI)** and **Ateneo de Davao University (AdDU)**, we are pleased to inform you of the upcoming **Robo Wheels: Innovation for Every Juan** project, a Mobile Robotics Education Caravan designed to enhance Science, Technology, Engineering, and Mathematics (STEM) learning among public school students and teachers in Mindanao.

Following the official launching of the project on March 4, 2026 in Davao City, we will conduct the **first Robo Wheels caravan in Davao del Norte** on the following schedule:

- a. **March 5, 2026** - Marsman National High School and Marsman Elementary School, Sto. Tomas
- b. **March 6, 2026** - Luna National High School and Luna Elementary School, Kapalong

We would like to request the participation of the identified schools and respectfully invite you to join us in the short program scheduled at each school. After the program, students and teachers may participate in hands-on robotics activities during their Science subject class hours to minimize disruption to regular classes.

The Robo Wheels caravan is equipped with advanced learning tools, including collaborative robotic arms, AI-powered robots, Arduino kits, drone simulators, and 3D printers. Sessions will be facilitated by experts from AdDU's Robotics Engineering Department, providing interactive, practical experiences to cultivate curiosity, critical thinking, and problem-solving skills among students.

We sincerely hope for your support in informing the schools and ensuring the smooth conduct of the caravan. Your presence in the short program and guidance to the schools will greatly enhance the impact of this initiative, which seeks to bring cutting-edge STEM education to public schools and inspire the next generation of innovators in Davao del Norte.

Should you require further information, please feel free to contact **Pearl A. Ulla**, MDFI's Program Manager, at 0917-863-1489 or via email at [mpaula@marsmandrysdale.com](mailto:mpaula@marsmandrysdale.com).

Thank you for your continued support of quality and future-ready education. We look forward to your positive response and participation.

Sincerely,

**YVONNE L. BIYO**
