1. The Fourth Quarterly Examinations for School Year 2025-2026 are scheduled for March 16-17, 2026. This is in accordance with DepEd Order No. 012, s. 2025, which outlines the Implementing Guidelines on the School Calendar and Activities for the aforementioned school year. These examinations serve as a crucial component of the Educational Assessment process, measuring student performance comprehensively.
2. For this quarter, test questions developed by selected Teacher-writers during the Division Training on Writing Assessment across Learning Areas will be used. These questions align with established standards and the Budget of Work (BoW) for the Third Quarter of the Most Essential Learning Competencies (MELCs). The deadline for submitting these test questions to the Learning Resources Management Section (LRMS) is on March 2, 2026.
3. Education Program Supervisors (EPSs) and Public Schools District Supervisors (PSDSs) are responsible for monitoring the examination administration using the prescribed monitoring tool. They are required to submit a monitoring report to the Office of the Schools Division Superintendent upon completing their monitoring tasks.
4. Maintaining the integrity and confidentiality of the examinations is paramount. Test questions must remain confidential and must not be disclosed to unauthorized individuals. School heads and Supervisors are accountable for securely storing test questions and ensuring access is limited to authorized personnel only. Any breach of confidentiality will be dealt with appropriately.
5. All Personnel must take every necessary precaution to prevent unauthorized access to test questions. Teachers and Staff are reminded of the importance of maintaining the secrecy and integrity of these tests. We must collaborate to uphold educational standards and provide students with a fair and unbiased assessment of their knowledge.
6. Expenses for printing testing materials shall be charged to each school's respective School Miscellaneous and Other Operating Expenses (MOOE). Similarly, travel expenses incurred by Education Program Supervisors (EPSs) and Public Schools District Supervisors (PSDSs) during monitoring activities will be covered by the Division MOOE fund, subject to standard accounting and auditing rules and regulations.
