It is imperative that students as well as parents, teachers and administrators, are equipped with knowledge and skills towards financial literacy. The government strongly supports the promotion of financial literacy through the enactment of Republic Act No. 10679 known as the **Youth Entrepreneurship Act**. Furthermore, DepEd Order No. 022, s. 2021 titled Financial Education Policy emphasized that financial education is vital in developing financially literate citizenry, in empowering them to make wise financial decisions, in taking advantage of economic opportunities, and in achieving financial health.
