**Subject: Invite Reading at the Frontline, No Child Left Behind Conference 2023
(FREE ADMISSION)**

Dear Dr.Allan,

Good day!

Greetings from Instant Reader™

Due to the recent report presented by Vice President and Department of Education Secretary Hon. Sarah Duterte-Carpio about the current state of Literacy amongst our students. For the past years, it shows that 9 out of 10 children in the Philippines at late primary age are not proficient in Reading, Science and Math. There has been an overwhelming learning crisis in low- and middle-income countries even before the Covid-19 pandemic. This report is truly a serious concern which calls for immediate action since reading is the foundation of learning. Our desire is to be of service to the community and to take part in DepEd's laudable initiatives in helping our students rise above this plight.

This prompted our team to boldly come up with conference on Reading Comprehension and Literacy entitled **Reading at the Frontline, No Child Left Behind** for academicians, school directors, principals, and teachers within Pasig and other parts of the Philippines to be conducted on **March 24, 2023 at Tanghalang Pasigueño**. And the good news is, we are now offering this conference for FREE! This conference will feature expert resource speakers who will tackle relevant topics related to the current state of reading education in the country and how our program, Instant Reader, can intentionally work together to eradicate this problem as one nation.

READING AT THE FRONTLINE
NO CHILD LEFT BEHIND CONFERENCE 2023
MARCH 24, 2023 + TANGHALANG PASIGUEÑO

We want to share and spread this good news with more people thus extending this invitation to your region, division and teachers.

On behalf of the Instant Reader Team, we would like to humbly ask your good office again for any **form of advisory/endorsement for voluntary participation of teachers, reading coordinators, principals, DepEd personnel from your region to join the conference for FREE. A separate document is provided for the complete details and matrix of the conference.**

We would like to appeal also for you to **be our guest**. We have nothing but the best intention to share the missing link to teach Reading and finally help address the lingering struggle of many Filipino students to acquire and master this very significant skill that they will ever learn in their lifetime!

Instant Reader™ with our program developer and owner Teacher Veronica "Vicki" Arioder is here reaching out to our nation for this very noble cause! Pilipino Muna Bago ang Iba!

This is a movement that would have a significant positive effect not just to the beginning and struggling readers in our nation.

Feel free to contact us (0917) 107 3248 for further questions or let me know if you want to set up an appointment to discuss the event further.

Very truly yours,

Ernalyh Daung
Project Head

MATRIX

THE CONFERENCE SHALL

- Serve as a hub of information and support for anyone. Teachers, researchers, parents, advocates, and therapists are all invited to learn, network, and gain the tools they need to help students who are struggling readers.
- Feature speakers and industry leaders both from the public and private sectors. Throughout the conference, there will be unlimited opportunities to deepen one's knowledge of structured literacy, reading, instruction, research, and advocacy.
- Help and equip teachers with new techniques and strategies they can apply to their classroom and students.
- Target the problem and provide information to help parents and classroom teachers understand specific reading problems a child may be having.
- Present practical suggestions on how to help students overcome or deal with their reading difficulties.

CONFERENCE TOPIC

- Data Driven Policy and Reading Program Implementation
- Learning Poverty in the Philippines
- Current Trends and Issues in Reading Education
- Tungo sa Isang Bansang Tunay na Nagbabasa
- The Missing Link in Teaching Reading

BENEFITS

- Receive Certificate
- Better understanding of current reading issues
- Opportunity to learn the fastest and most effective way to teach how to read
