Dear *Sir Farnazo*:

Magis Greetings!

The Ateneo de Davao University's School of Engineering and Architecture (SEA) remains steadfast in pursuing its vision and mission by showcasing the capabilities and expertise of its various departments, including Architecture, Aerospace Engineering, Civil Engineering, Chemical Engineering, Computer Engineering, Electrical Engineering, Electronics Engineering, Industrial Engineering, Mechanical Engineering, and Robotics Engineering. To achieve this goal, the AddU-SEA will host its annual SEA Fair 2023, featuring a range of educational activities that aim to inspire and motivate students from basic education to pursue higher studies in engineering and architecture.

The fair will feature a range of educational activities designed to inspire and motivate students from basic education to pursue higher studies in engineering and architecture. We are excited to bring back the tradition of holding the event in person, as we believe this will provide a more engaging and interactive experience for all participants.

The Engineering and Architecture Student Executive Council (EASEC) is the student-run organizing body of the AddU-SEA and will be leading the event's planning and execution. We cordially invite schools in Region XI on **April 13-14, 2023, at the Abreeza Mall** to participate in the following events: Porma: Perla Carving, Pinta: Watercolor Rendering, Bridge Building Contest, Tower Building Contest, Rube Goldberg Design, QuEAzzicle, Paper GlidEAng Competition, Thinker Quest, HEAckathon, iControl-Mechatronic Arm Challenge, and Group Dance Showdown.
