Dear Sir Reynaldo:

Kalinaw!

The Philippine Science High School is committed to advancing premier high school STEM education for the people. To materialize this commitment, the Pakiglambigit Program, in partnership with the Department of Science and Technology XI - Provincial Science & Technology Office of Davao del Norte, will conduct a **series of capacity-building programs in handling basic laboratories in Biology, Chemistry, Physics, and Robotics for four (4) Saturdays.**

This training will take place on **April 6, 13, 20, and 27, 2024 from 8:00AM – 4:00PM.** All sessions will be held at the **PSHS-SMC Campus in Brgy. Sto. Niño, Tugbok District, Davao City.**

The Pakiglambigit Program specifically aims to develop and strengthen knowledge on robotics and basic laboratory equipment handling to school teachers situated in marginalized community areas in Davao del Norte.

With that, we would like to ask for your assistance in identifying **eight (8) schools to attend the Robotics Training** and another **eight (8) schools to participate in the Basic Laboratory Handling Training.** Each school must send only **two (2) representatives**, accompanied by their Science Supervisor.

In relation to this, a **Compensatory Overtime Credit (COC)** will be provided to education supervisors in Science and **Service Credit** will be given to the identified public-school teachers as stated in our **Memorandum of Agreement (Obligations of the Third Party 4.1a).**

Further, provided below is the table of activities for your reference.
