DIVISION MEMORANDUM
No. 221, s. 2022

DAILY UPDATING OF LEARNERS' VACCINATION STATUS

TO: School Heads
Elementary and Secondary
Public and Private Schools

Through the Public Schools District Supervisors

1. In line with the Unnumbered Regional Memorandum dated February 21, 2022 and Memorandum OUCOS-PS-2022-012 regarding the directive to reintroduce face-to-face classes in basic education and in support to the national government's vaccination drive, a tagging facility for COVID-19 learner vaccination has been deployed in the Learner Information System. The tagging facility was designed to collect learners' vaccination data and monitor the progress of vaccination in your school.
2. As such, you are expected to instruct your teachers to create a profile of each learner per section/adviser as to the status of vaccination and to regularly update the status of learners in the LIS.
3. The instruction on how to access the facility in the LIS is already posted in the LIS coordinators' group chat and FB page.
4. For immediate compliance of all concerned.
