Dear Madam:

RoboQuest is a National Robotics Competition that aims to promote fun learning robotics thru games. In these games, students and teachers will showcase their own robot design, that has a capacity to perform a variety of tasks related to the challenges in each game.

In line with this, we would like to invite our student roboticists to participate in the upcoming RoboQuest which will be held on November 4, 2023 at 7:00 AM to 5:00 PM in the Danao City Civic Center - Poblacion Danao City, Cebu, Philippines. To avoid disruption of classes, DepEd School Calendar and Activities for the SY 2022 -2023 (DepEd Order no. 24, s. 2022) and DepEd OASGFO Memorandum no. 2022-058 were considered in selecting the date for the activity, which will fall on Saturday.

Below is the list of challenges offering this year as well as the age of students who can join on each challenge:

The Champion and runner-up's in each category will be awarded with medals and certificates. The registration fee is Php 1500.00 per team for one challenge of their choice.
