**Dear Sir:**

The Strong Families Programme is designed to help families who are experiencing difficulties in handling a home situation where both children and adults often deal with the effects of inadequate resources which commonly caused increased irritation and added stress to the parents or caregivers and eventually cause anxiety and depression to the children.

Thus, the Provincial Anti-Drug Abuse Council (PADAC) of Davao del Norte through its Strong Families Anti-Drug Abuse Program would like to help those families in society who might have been associated with these challenges in their respective communities brought by the effect of high unemployment and overcrowding as well as the lack of safe housing and conflict in the family and neighborhood.

In view of the foregoing, PADAC shall conduct a three-day live-in Training/Orientation on Strong Families Program on September 19-21, 2023 at DGLM Inland Leisure Center, Cuambogan, Tagum City. Program officially starts at 8:00 o'clock in the morning and shall conclude by 5:00 o'clock in the afternoon.

In this regard, may we respectfully request twenty (20) participants from your schools' division, comprising BKD Coordinator/NDEP Coordinator/Guidance Counselor to attend the abovementioned activity.

Through this Anti-Drug Abuse Prevention Program, schools can be an avenue of light to the learners who have fallen prey to drugs as we ignite as One DavNor, One People in sanitizing the communities against illegal drugs.

We look forward to your positive response on this matter. Our sincere thanks in anticipation to your usual kind support to all the programs of the Provincial Anti-Drug Abuse Council of Davao del Norte.

Very truly yours,
