Subject: **INTERNATIONAL ADOLESCENT HEALTH WEEK 2022**

The International Adolescent Health Week is an annual health campaign every third week of March that is observed globally since 2018. It engages adolescents in meaningful activities and urges communities to help teenagers make a smooth transition into adulthood.

In line with this, the Office of the Undersecretary for Administration (OUA), through the Bureau of Learner Support Services-School Health Division (BLSS-SHD), shall conduct a Virtual Celebration of the International Adolescent Health Week 2022 from March 21 to 26, 2022 (Monday to Saturday).

The theme for this year is 'Transitions' which highlights the changes from childhood to adulthood physically and mentally, the adjustments from a pre-pandemic life into a situation affected by the COVID-19 health crisis, and from lifestyles characterized by dependence as children to independence.

All DepEd teaching and non-teaching personnel, student leaders and adolescent learners are invited to participate by:

1. Sharing of social media content on adolescent health from the Official 'OK sa DepEd' Facebook Page and DepEd Philippines Facebook Page.
2. Posting your unique, memorable experiences as adolescents or anecdotes about a teenager through a photo, short video or a short narrative.
