1. DepEd Order 44 s. 2021, reiterates the content of the Magna Carta for Persons with Disabilities stressing that PWDs are part of the Philippine Society and have the same rights as other people to take their proper place in Society. The Magna Carta further obliges the State to adopt policies ensuring rehabilitation, self-development, and self-reliance of PWDs, and to develop their skills and potentials to enable them to compete favorably for available opportunities.
2. Moreover, the Convention on the Rights of the Child (1989), of which the Philippines is a State Party, also embodies a universal commitment to advance children's rights, including the rights of children with disabilities. As highlighted, the Convention obligates the State Parties to take all Necessary measures to ensure full enjoyment by children with disabilities of all human rights and fundamental freedoms on an equal basis with other children (Art.7).
