Madame:

Greetings of peace!

The ongoing pandemic has caused massive disruption in the education sector. In the context of basic education, this crisis interrupted and prohibited the attendance of learners in school. In the Senior High School, the implementation of work immersion which is required subject for the Technical Vocational Livelihood (TVL) is severely affected in this scenario. Despite the pandemic, Sagayen National High School continues to provide our graduating students with high quality life-long knowledge and skills.

Guided by DM-CI-2020-00085 entitled Guidelines for Work Immersion Implementation During Disaster Situation complemented by Division Memorandum No. 470, s. 2021-Guidelines on Immersion, the school would like to seek your permission for the conduct of limited face to face work immersion (school-based) starting January to May 2022. We already sent a letter requesting the IATF Incident Commander, Ms. Mary Beth L. Eculiada, RMT, MPA, MM of LGU-Asuncion the recommendation of approval and received her response last January 7, 2022.

The success of this endeavor will never be possible without your support and approval. As DepEd Secretary Leonor Briones said, "Education cannot wait", thus, work immersion is essential for our SHS learners since it will provide them the opportunities to familiarize themselves with workplace, simulate employment, and apply their competencies in areas of specialization in authentic work environments.

Rest assured that all the health and safety protocols will be strictly observed during the conduct of the activity.

Thank you and may God bless you as you lead.

Very truly yours,

Evelyn P. Lucas
