Education Program Supervisor in Science

Dear Mr. Mellorida,

We are pleased to announce that the 2024 DOST-SEI Science and Technology Undergraduate RA7687 and MERIT Scholarships are now open for Grade 12 Senior High School (STEM/ Non-STEM strands) applicants who wish to pursue science and technology priority courses In college.

The Republic Act. No. 7687, also known as the "Science and Technology Scholarship Act of 1994", provides for scholarships to talented and deserving students whose families' socioeconomic status do not exceed that set cut-off values of certain indicators. On the other hand, the DOST-SEI Merit Scholarship Program, formerly known as the NSDB or NSTA Scholarship under Republic Act No. 2067, is awarded to students with high aptitude in science and mathematics and are willing to pursue careers in the fields of science and technology.

In this connection, may we request the assistance of your division to help us disseminate this information to Grade 12 Senior High School students in the province. Also, may we request to allow us to conduct a **Scholarship Campaign which will start on November 29, 2023**. The online application can be accessed through this link.

DOST-SEI E-Scholarship Application System: https://www.science-scholarships.ph

Start of Online Application Period: October 17, 2023

Last Day of Online Application and Uploading of Requirements: December 31, 2023

Schedule of Qualifying Examination: April 6-7, 2023

Please see attached for the 2024 DOST-SEI S&T undergraduate scholarship infographics for your reference. For more details, you may contact the PSTO-Davao del Norte through the following information: 09560588144 or email us at <a href="mailto:pstc.davaodelnorte@region11.dost.gov.ph">pstc.davaodelnorte@region11.dost.gov.ph</a>.

We thank you for your support in the conduct of Science and Technology Scholarship Programs in Davao del Norte.

Very truly yours.

Engr. Judy Donna dA. Nueva Ecija
