SUBJECT: Request for Assistance on the Implementation of PhilSys Birth Registration Assistance Project (PBRAP)

Dear RD Farnazo:

Greetings of peace and joy!

The Philippine Statistics Authority (PSA) in collaboration with Department of Interior and Local Government (DILG) and the Local Government Units (LGUs) would like to increase the level of birth registration especially in marginalized communities such as those belonging to the Indigenous Peoples (IPs), Muslim Filipinos and poorest sector in the country. Having the birth document will ensure them the issuance of their PhilID which is a gateway to identify who they are and to claim their social benefits from government and other donors. This undertaking will be implemented through the PhilSys Birth Registration Assistance Project (PBRAP).

In line with this, we would like to request for an assistance from your good office to help us in conducting the information dissemination and data gathering from students with unregistered birth at various schools in Region XI. Please be informed that we are willing to discuss the project implementation details with you via zoom or face to face platform at your most convenient time. Please be informed further that this activity will also be replicated at PSA Provincial Statistical Offices in Davao Region.

Should you have any question, please contact Acct. III Baby Jean Alid through telephone number (082) 224-1140 loc. 110 or at mobile number 09436816150.

We are hoping for your favorable response regarding this matter. Thank you very much.

Truly yours,

Ruben D. Abaro, Jr.
