Dear SDS Dee,

On **August 12, 2022**, Global Youth Summit (GYS) will hold its 10th summit, convening thousands of young leaders from the Philippines and abroad. GYS, one of the largest gatherings of youth in the world, is a space for young people ages 14 to 35 to share their ideas and utilize their diverse skills, knowledge, and networks to effectively address the persistent problems of today. GYS is co-organized by Global Peace Foundation and SM Cares. The 2022 summit will be held at **SMX Davao** and will be broadcasted live via Zoom and Facebook.

In its tenth year, Global Youth Summit 2022 will focus on Achieving 2030 Sustainable Development Goals (SDGs) through Youth Collaboration, Moral Leadership, and Innovation by addressing the following topics: Peace, Justice and Strong Institutions, Gender Equality, Climate Action, Good Health, and Well-Being and Quality Education. The 2022 topics are selected by youth through a poll as part of this year's consultation process with 1,965 respondents.

Local and international experts and advocates from different sectors and UN agencies are invited to share their ideas on the topic and provide insights on the youth's role and contributions to address each. The ideas generated during UN75 are expected to inform public debate, be taken up by national and international decision-makers, inspire broader civic engagement, and deepen global cooperation.

**In line with this, the Global Youth Summit 2022 Committee would like to request a meeting with your good office on July 13, 2022 for us to share and discuss the partnership and program of Global Youth Summit. Joining the meeting are the following:**
