Dear **Ma'am Silva**,

Greetings!

ChildFund Philippines in partnership with **Kaanib Foundation, Inc.** have been implementing the BuildCA²P project funded by the U.S. Department of Labor (USDOL) in the province of Davao del Norte since 2019. The project strives to address the significant challenges faced by the children engaged in child labor and their families in the agricultural supply chains of corn, rice, coconut, and banana.

At this stage of project implementation, BuildCA²P project focuses on providing education for the children engaged in child labor and livelihood opportunities for their families. Also, we will sustain the capacity enhancement to our partner LGUs (municipal/city and barangay) to strengthen existing local council for the protection of children (LCPC) and referral/reporting mechanisms to protect children and address child labor.

One of the approaches we do to create a community where children achieve their potential is by partnering with schools to promote and strengthen educational programs to help uplift the learning ability of the students.

As part of our project activities, on **July 18, 2022**, ChildFund and Kaanib will conduct a **Turn Over Ceremony of School Equipment and Learning Materials to BuildCA²P Partner Schools** in the Municipality of Carmen and Santo Tomas, Davao del Norte.
