Subject: **THE CONDUCT OF TELEMEDICINE**

Date: September 12, 2022

1. Telemedicine is a method to provide access to healthcare services when face-to-face interaction between the providers is difficult due to the challenging times caused by the pandemic. It offers medical consultation using digital devices such as computers, smartphone and in most cases, using video conferencing or phone messaging. This is to ensure that we deliver healthcare services to the patient.
2. Patients will approach their respective Division/District/School Nurse in their assigned area for Medical Consultation for their Individual Treatment Record and Follow-up.
3. The schedule for medical consultation is every Wednesday and Thursday 9-11 am and 1:30-3:30 pm. However, the Medical Team will entertain emergency cases.
4. Please see the attached Process Flow Chart for the referral system.
5. Everyone is requested to ensure that precautionary health measures and protocols shall be observed.
