DIVISION MEMORANDUM
No. 1082, s. 2022

To: Public Schools District Supervisors
Public and Private Elementary and Secondary School Administrators

Subject: Updating of Learner Information System Enrolment Quick Count and
Beginning of School Year Enrolment

Date: September 29, 2022

This has reference to the enrolment of learners in the LIS Quick Count and Beginning of School Year (BOSY) Enrolment for SY 2022-2023.

As of September 29, 2022, the LIS enrollment count for BOSY 2022-2023 is only 113,794, remarkably far from the anticipated enrollment of 127,000. It has been a month since we started the School Year and still around 13,000 learners are not yet enrolled in the LIS.

With this, all advisers and LIS Coordinators in public and private elementary and secondary schools are directed to update the quick count data in the quick count facility and enrolment of learners and the learners' profile in the LIS. The LIS can be accessed through the web addresses <http://lis.deped.gov.ph>. It is expected that 100% of our learners are encoded in the system prior to the administration of the first quarterly examination.

Immediate and wide dissemination of this memorandum is desired.
