Good day Dr. Silva,

We are pleased to announce that the **2023 DOST-SEI Science and Technology Undergraduate RA 7687 and MERIT Scholarships** are now open for Grade 12 Senior High School (STEM/Non-STEM strands) applicants/students who wish to pursue science and technology priority courses in college.

The **Republic Act no. 7687**, also known as the "Science and Technology Scholarship Act of 1994", provides for scholarships to talented and deserving students whose families' socio-economic status do not exceed the set cut-off values of certain indicators. On the other hand, the DOST-SEI Merit Scholarship Program, formerly known as the NSDB or NSTA Scholarship under **Republic Act No. 2067**, is awarded to students with high aptitude in science and mathematics and are willing to pursue careers in the fields of science and technology.

In this regard, may we request the assistance of your office to help us disseminate the 2023 DOST-SEI Undergraduate Scholarship programs and Infographics to the Public Senior High Schools.

The online application can be accessed through the following portals:

DOST-SEI Online Application portal: <https://www.science-scholarships.ph>

DOST-SE website: <http://www.sei.dost.gov.ph>

Start of Online Application Period	19 September 2022
Last Day of Online Application and Uploading of Requirements	2 December 2022 (Friday)
Schedule of Qualifying Examination	11-12 March 2023
