## TOLITS

*Tales of Hope in the Sea*  
AN ERROL ROPERO FILM

### STORYLINE

The Tales of Love in the Sea, a story of hope and friendship between two different worlds. The story starts upon the mysterious arrival of whale sharks in Oslob, Cebu and it is also the day of giving birth of Dina (**Precious Lara Quigaman**) to Tolits (**Jerome Miles Manzano**). After 13 years, a fishing town in Oslob serves as a sanctuary to a group of whalesharks, the largest fish in the world. Locally known as butanding, whalesharks visit the waters of Oslob everyday between six in the morning until noon time.

Let's take a glimpse of the story of a poor 13 – year old Tolits. He and his mother Dina were abandoned by his father, Gilbert (**Christian Vasquez**) for another woman at his early age. Since then, his mother became lunatic and her behavior become childish. Tolits forced to work at his young age but not enough for their daily needs. As the increase volume of the whaleshark, the government decided to make a tourist attraction in Oslob, they call it "Whaleshark Watching", for it is good to the economy in the community to have a better livelihood particularly the fishermen. Tolits never experienced the life at school, despite of his emptiness; he works hard as a tourist' underwater photographer. It became the primary source of income for Tolits.

Due to economic growth in the Oslob, the authorities tightened safety and security of the area. They are not allowing anyone to take pictures with the tourist if it is not a member of Tan-awan, Oslob Sea Warden Fishermen Association (**TOSWFA**). Tolits also prohibited to interact with the whale sharks due to risk of accidents may occur. Indication of the emergence of tame dolphins, he became his companion and he also considered the dolphin as his best friend aside from his childhood best friend Ening (**Andrea Kate Abellar**).

Came the opportunity of hope, he was able to study in Manila, together with his so-called Kuya Aris (**Edward Ropero**). The condition is that they need to work as a houseboy for a year to support their studies. A faith in God will be attested for Tolits to overcome the obstacles in life. The reality of his dream is just beyond the dream. This movie also tackles the relationship of family, poverty and faith in God. It will reveal the real value and essence of education for less fortunate.

The movie is written and directed by Errol Ropero under Dream Creations Entertainment Productions. This film is recommended to watch by the students in all year levels. Rated A by the Cinema Evaluation Board and Rated G (General Audience) by MTRCB.
