Dear Superintendent Silva:

Madayaw!

We are pleased to inform you that UP Mindanao's Department of Human Kinetics is offering the Diploma in Exercise and Sports Science (DESS), a two-year post-baccalaureate course that addresses the need of Physical Education teachers, MAPEH teachers, and Sports and Wellness practitioners, especially those who do not have an undergraduate degree related to the discipline, to further enhance their knowledge and provide training in the areas of Exercise and Sports Science.

Graduates from this course may pursue higher degrees in related disciplines such as MA and MS in Physical Education, MS in Human Movement Science, etc.

This program offering is in line with UP Mindanao's academic program expansion to support its advocacy in promoting well-being and social values through sports. To further support this advocacy, we will be conducting a forum where participants get to understand DESS as a course and what it can offer if they decided to enroll.

In this regard, we would like to request your assistance in encouraging participation from DepEd teachers to the said forum. The forum will be on **28 March 2022 (Monday) at 10AM-11:30AM** via Zoom Meetings.

Below is the forum registration link.

Looking forward to your continued support towards development in sports education in Mindanao.

We hope to hear from you soon.

Thank you very much.

Respectfully,

Prof. Erwin E. Protacio
Chair, Department of Human Kinetics
