The UP Agricultural and Applied Economics Circle (UPAAEC) is a recognized academic organization based at the Department of Agricultural and Applied Economics, College of Economics and Management, University of the Philippines Los Baños and a member-organization of the Junior Philippine Economics Society (JPES). The organization advocates and supports agricultural and socio-economic initiatives by promoting Agricultural and Applied Economics as a field of study and career.

This year, in accordance with our purpose-driven objectives as an academic organization, we will conduct a scholastic competition for junior and senior high school students. AgriKonomiya 2023 is a month-long event comprising five (5) competitions and one (1) seminar. With the theme, "Changing the Landscape: Economic Development through Emerging Agricultural Paradigm," students from different schools all over the Philippines will compete with each other in an essay writing competition, a poster-making competition, a promotional video competition, a debate competition, and lastly, an agricultural resolutions pitch competition.

In this regard, we humbly ask for your school's participation in our event. The event is open to all junior and senior high school students. Individual competitions for AgriKonomiya 2023 (poster-making and essay writing) are free for the first entry per event and succeeding entries will be charged 50 pesos. At the same time, team events (promotional video, debate, and agri-pitch) will have non-refundable registration fees. Attached herewith are the details and program of the competition for your perusal.

Should you have any queries, please feel free to contact **Patricia Mae Adamos**, at **09498774733** or email us at **upaaec.agrikonomiya@gmail.com**. Thank you very much and we are hoping for your kind consideration.

Respectfully yours,
