Sir;

Greetings of Peace and Prosperity!

The **National Federation of Junior Philippine Institute of Accountants - Region XI** is planning to conduct its first-ever **ABM Cup** with the theme **"EPARKEIA: Aiming for the Ultimate and Unveiling Potentials from Within"**. The organization aims to provide an opportunity for the Senior High School - Accountancy, Business, and Management students of the said region to exhibit their proficiency in solving theoretical and computational problems and unveil the champion in themselves, which would help them get equipped enough for the next chapter of their academic life: college.

In connection with this, the NFJPIA - Region XI would like to humbly ask for support and endorsement from your good office to conduct the ABM Cup. We believe that this will be of great help in attaining the said goals when we start to reach out to the Senior High School institution across the region. The conduct of said activity will be held on June 3, 2023, and June 10, 2023 at Davao City, and Tagum City.

Attached herewith is the concept paper for the event for your further reference.
