and DOLE registered that is committed in empowering women living in an impoverished community through appropriate resources from the government, non-government and other organizations who share the same vision. Further, the organization employs holistic approaches through committed partnerships from all sectors, that firstly understand the roots and causes of poverty, violence and injustices, with an aim to transform individuals and communities into beneficial elements of the society without recourse to prejudice by allowing themselves to identify that which will make a difference.

One of the ways forward agreed by the Regional Inter-Agency Committee on Indigenous People Health (RIAC-IPH) chaired by the Davao Center for Health Development, Dept. of Health Region XI was the conduct of IP and GiDA Community Outreach and Immersion Activities in the few selected IP & GiDA barangays in the Davao Region. The main objective of this undertaking is to directly deliver basic social services, primarily medical and other crucial health services to our fellowmen who have least access to the much needed medical attention. Four among the selected IP&GiDA barangays are Palma Gil & Dagohoy in Talaingod of Davao del Norte; Balasiao & Kimlawis, Kiblawan, Davao del Sur on July 26-28, 2023 in the Municipality of Talaingod and August 9-11, 2023 in the Municipality of Kiblawan, Davao del Sur, respectively.

Yours truly, being one of the Stakeholders/Partner of the RIAC-IPH Committee aims to sustain the continuous and very effective collaboration with all partners that significantly contribute to the successful implementation of basic health service delivery to those who are marginalized and vulnerable to health inequities.

In line with this, we would like to invite you to join us in the said Community Outreach and Immersion activities on July 26-27-28, 2023 at Talaingod, Davao del Norte. Should you wish to share and distribute anything for our IP brothers and sisters from the said IP community would be much appreciated. Used clothings, hygiene kits, toiletries, school supplies, slippers and/or anything you would like to share for the IP families of the said community.

We are hoping and praying for your usual support and cooperation.
