Dear Mr. Indie:

The Department of Social Welfare and Development XI is grateful for the partnership and continued support of the Department of Education XI since the onset of the implementation of the Pantawid Pamilyang Pilipino Program. The convergence efforts have been evident on the ground, which has ushered us toward achieving increased program efficiency and improved well-being among the household beneficiaries.

In order to further strengthen the synergy of efforts in providing social service interventions to the beneficiaries, the Pantawid Pamilyang Pilipino Program XI will conduct a **Consultation Dialogue with Program Partners** on **November 20-21, 2023**, in **Davao City**. The said activity aims to achieve the following objectives:

1. **Provide** updates and developments of the Pantawid Pamilyang Pilipino Program in Region XI;
2. **Recognize** the roles and responsibilities of program partners in the implementation, as indicated in the RA 11310 and Partnership framework;
3. **Determine** the prevailing concerns, limitations, and challenges along with compliance with the program conditions through appreciative inquiry;
4. **Develop** practical recommendations through policy development or process enhancement to further improve the program implementation in Region XI;

Moreover, the Department shall continuously promote interest and boost commitment in providing complementary support to the beneficiaries to ensure their compliance with the program conditions, help them achieve an improved level of well-being, and sustainably transition them out of poverty.

With this, we cordially request your esteemed presence as our distinguished participants in the aforementioned activity. Each District Office is allocated one (1) delegate, with the generous provision of meals and one (1) night's accommodation at a reputable hotel.

Further, we appreciate confirming your attendance on or before **November 15, 2023**. Should there be other concerns or clarifications, kindly contact Mr. James Deriada at +639989951677.
