Dear Dr. Silva:

Greetings of healing and hope!

As observed, mental health is one of the challenges that the youth of our province is facing today and we have noticed increased mental health issues during and post-pandemic.

To address this, the Provincial Health Office, under the Population Management Program Division – Adolescent Health and Youth Development Program, will be conducting a **Consultative Meeting regarding the increasing suicide cases among adolescents and youth in our province**. To make this even more meaningful, we would like to **respectfully invite the presence of Mr. Constant Dave Caberto, RN and Ms Catherine Cantalejo, RN** in this event.

We are also requesting them to bring a copy of available reports of suicide cases (suicidal tendency and suicide deaths) in the DepEd schools from 2021 to present. This data would be very useful in the drafting of our plans for interventions in the provincial-level regarding this pressing concern.

Their presence would greatly contribute to the success of this event. For confirmation of attendance or inquiries, kindly contact **Ms. Christy Carole Sanico, AHYD Coordinator at mobile number 0919-002-7822.**

Truly yours,
