Dear Superintendent Silva,

Greetings of Peace and Solidarity!

In response to the latest landslide incidents affecting some areas of the Municipality of Talaingod, the Office of the Provincial Disaster Risk Reduction & Management Division (PDRRMD) will be **conducting a School-based Landslide Preparedness Orientation for members of the School Disaster Risk Reduction & Management Committee (SDRRMC)** which will last only for an hour, preferably after classes in order not to hamper the learning of the students. The main objective of this initiative is to teach the members of the SDRRMC on the Basic Early Warning Signs of a potential landslide incident to happen. Brochures and snacks for the participants will be shoulder by the PDRRMD Early Warning Team.

We wish to give priority to schools located in the landslide prone areas of the Municipality of Talaingod. We will work closely to Ms. Kristine Sagot, you Division SDRRM Focal as to the identification of these high risk schools if this request will be given a favourable consideration.

Our Planning & Early Warning Section Chief, Mr. Eric R. Rosillo, LPT, MCDRM, Local DRRM Officer III is the overall in-charge of this initiative. You can contact him through his mobile nos.: 09209745778 / 09129637917.

Thank you and more power!

Very truly yours,

GLENDA O. DELIDELI
Local DRRM Officer IV
