Subject: ORIENTATION ON THE DRUG-FREE WORKPLACE PROGRAM
FOR DEPED DAVAO REGION EMPLOYEES AND
TRAINING OF TRAINERS ON LIFE SKILLS
ENHANCEMENT IN DRUG ABUSE
PREVENTION EDUCATION

Date : March 10, 2023

The drug-free workplace program is an important anti-drug advocacy that is directly anchored on the Comprehensive Dangerous Drugs Act of 2002 or Republic Act 9165. The law requires government and private agencies to come up with their own drug-free workplace policy.

The conduct of the Orientation on the Drug-Free Workplace Program aims to heighten the level of awareness of the participants on the ill effects of drug abuse and enhance their capacities to protect themselves from the dangers of drugs. It also aims to promote the benefits of creating a drug-free workplace policy and encourage the participants to live a healthy lifestyle.

The Training of Trainers on Life Skills Enhancement in Drug Abuse Prevention Education is a capacity-building program that provides participants with skills to resist drugs, strengthen personal commitment and develop social competency in pursuing a healthy and drug-free lifestyle.

Various teaching methodologies will be utilized during the conduct of the training to be able to maximize the learning process of the participants. The program is proven to be interesting as an activity-based approach is used to include experimental learning, small group discussions, lecturette, role-playing, and simulation games.

In line with this, DepEd Regional Office XI in coordination with Dangerous Drugs Board through the Policy Planning and Research Division, will conduct the Orientation on the Drug-Free Workplace Program for DepEd Davao Region Employees and Training of Trainers on Life Skills Enhancement in Drug Abuse Prevention Education at the Ritz Hotel at Garden Oases, Davao City on March 28-30, 2023. Please refer to Annex A and B for List of participants to this activity.
