Dear Sir/Madam:

Peace and good health be unto you!

Anchored on the **MATATAG Agenda** of the Department of Education under the leadership of Vice President Sara Z. Duterte-Carpio, PCPD Training Center, Inc. believes that advancement in any field of knowledge is largely due to on-going research studies and technical training that aim to gain new ground in explaining theories and phenomena. Outside this would only be a repetition of formerly held beliefs and understandings which only reiterates what most know as truth and thereby remain stagnant. As such, it is but imperative that in the advent of technological advancement with the emerging models, approaches, tools, frameworks, and other social constructs that adaptation through "upskilling" and "reskilling" be the course taken by any field, particularly, by the Philippine Education System (PES).

To contribute to teachers' "lifelong learning" through the MATATAG Agenda of DepEd, PCPD Training Center, Inc. will conduct an **International and National Training Programs for "Teaching and Non-teaching Personnel"** (Face-to-face and Self-paced online delivery). The details are as follows:
