SARA Z. DUTERTE

Vice President and Secretary
Department of Education (DepEd)

Attn: MICHEL KRISTIAN ABLAN
Undersecretary for Administration

Dear Vice President Duterte,

Greetings from the Australia Awards and Alumni Engagement Program – Philippines!

Since 2018, Australia-educated alumni have come together annually to organise the Australia Alumni Network Summit. This flagship event aims to be an impact-oriented knowledge - sharing platform that brings together scholars, experts, and visionaries to share their creative ideas and strategies to address pressing societal issues. In the same light, Philippine Presidential Proclamation No 1282, Series 2016, declared on 22 May 2016 and each year after as Philippines-Australia Friendship Day, bringing the alumni community together for a series of networking and advocacy-building initiatives. For 2023, we aim to hold events in Iloilo City from 18-20 May 2023 for professional development, benchmarking, and immersive learning sessions. A networking cocktail with our new Australian Ambassador to the Philippines, H.E. HK Yu, PSM and an Alumni Family Day will also be hosted to celebrate the long-standing friendship between Australia and the Philippines.

The summit theme will be **REGENERATION in PRACTICE**. This is based on the framework of Doughnut Economics and Regenerative Development, which is the application of holistic processes that enable our social, environmental and economic resources to become sustainable and produce thriving systems that continually regenerate. We intend to focus on actual practices and develop project ideas focused on life-giving development that rebuilds vital connections among people and the planet for growth that nurtures the present and future generations. The summit's target audience will include many Australia Alumni from all over the country and selected representatives from a diversity of sectors who have a potential to positively impact our country's growth and development.

The three-day series of events will be an excellent opportunity for alumni to gain new knowledge, share insights with like-minded participants in their communities of practice and collaborate on meaningful initiatives that they can apply not only in your organisation, but in their communities as well.

In line with this, may we ask your good office to invite and allow the Australia Awards alumni and Australian Government program alumni (PAHRDF, PAHRODF interventions, AAAEP-P short courses, and AAS Fellowships) from the Department of Education to join this learning opportunity on official business (*Annex A: List of alumni from Department of Education*).

Interested alumni may visit <https://forms.gle/bW4h4voiR1dtqmBZ8> to register. Registration for the event is free.
