Madam:

Greetings from the ALPPa-DavNor with Joy and Educational Prosperity!

Our organization will be conducting a 2-day athletic competition to measure the capability of our students in the field of sports. We also recognize the efforts extended by the different event coaches in honing the student bring them into the field of sports competition.

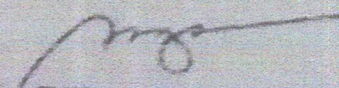

With our enormous desire to foster the capability of our athletes, we realized that we don't have enough capacity to manage the game as we need assistance from the pool of referees from your end.

Given the above-mentioned scarceness of knowledgeable sports-trained referees, may we request Four (4) teachers from your Division who could lead the management of Volleyball games for a two-day competition.

With our fervent prayer that this request would merit your favorable consideration.

Thank you and more power!

Very truly yours,

  
**TITO L. BENEGIAN, MPSDE-EM**  
ALPPa-DavNor President
