OFFICE MEMORANDUM
CID-2023-0071

To: Eduard C. Amoguis, Chief—Curriculum Implementation Division
Dominic M. Dizon, Public Schools District Supervisor—Langilan District

Subject: **PARTICIPATION OF DR. DOMINIC M. DIZON TO THE 1ST MULTIDISCIPLINARY RESEARCH CONGRESS OF KAPALONG COLLEGE OF AGRICULTURE, SCIENNCES, AND TECHNOLOGY**

Date: March 28, 2023

1. Attached herewith is a letter from Mary Ann Ronith P. Libago, Director of Research and Development, approved by Dr. Rodrigo C. Licayan, College President of Kapalong College of Agriculture, Sciences, and Technology, inviting DR. DOMINIC M. DIZON on its 1st Multidisciplinary Research Congress, which aims to develop a dynamic organization that fosters and sustains a vibrant research culture among academics, staff, and students on March 31, 2023 (Friday), 8:00 a.m. to 5 p.m. at KCAST Campus.
2. Please be informed that this office has no objection to your participation in the aforementioned training and directs you to grant their invitation to promote great partnership among DepEd and other agencies. However, please secure the delegation of the Office In-charge in your district.
3. Other important details are stipulated in the attachments.
4. In participating in the said activity, the **Equal Opportunity Principle (EOP)** shall be observed at all times where all individuals are fully recognized regardless of gender, religion, ethnicity, and political affiliations.
5. It is further advised that strict health and safety protocols shall be observed at all times.
6. Immediate dissemination of this memorandum is desired.

RECEIVED
RECONSTRUCTION

MAR 1 2023

Sig: 23-12162

Dear Madame;

Greetings of peace and prosperity!

Extension, instruction, and research are said to be the three main focuses of establishing higher education institutions. As a result, the Office of Research and Development strives to develop into a dynamic organization that fosters and sustains a vibrant research culture among academics, staff, and students, not just inside the campus, but also outside its four corners, connecting all members of the society with a singular purpose.

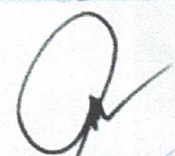

Further, recognizing the crucial role of researches on today's pendulum of education amidst the challenges we have today and as our institution aims to enrich the research culture within and beyond our community, the Kapalong College of Agriculture, Sciences and Technology will be having its **PAGSUHID 2023: 1ST MULTIDISCIPLINARY RESEARCH CONGRESS** on **March 31, 2023 (Friday) at 8:00 a.m. to 5 p.m.** which will be held in the campus to be participated by majority of the members of our academic community, i.e., college students, faculty members, and non-teaching staff. Student-researchers from all programs will compete for the titles, best papers and best presentations, in one day.

In lieu with this, it is our honor and privilege to invite one of the teachers under your division, **Dr. Dominic Dizon**, to be **one of our panel of adjudicators** who will scrutinize the technical merits of the oral presentations of our college researchers on the given date. We believe that his expertise and contribution on the success of this activity is unparalleled. We have attached the array of the activity for your information and reference.

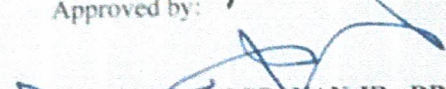

This collaborative and purposeful research initiative is expected to be an avenue for sharing the researches' meaningful purposes as to not jeopardize the true goal of doing researches; thus, contributing to a more informed and responsive academic community amidst this pandemic the world is facing with.

We are looking forward for your confirmation and for your positive response on this matter. For your confirmation, which is indeed an honor for us, please reach us on our official Facebook and email address: researchofficekcast@gmail.com.

Respectfully,

MARY ANN RONITH P. LIBAGO, MAEd
Director, Research and Development
