Pursuant to the DepEd Order 32, s. 2020, the Department of Education engaged the services of Learning Support Aides (LSAs) in SY 2020-2021 and 2021-2022 to support schools in the implementation of the Basic Education Learning Continuity Plan amidst the COVID-19 pandemic. The LSAs were hired to (1) employ additional workforce to support the delivery of learning modalities; (2) address the need for a stronger relationship between and among schools, households, and communities; and (3) ensure unhampered delivery of basic education services.

The Bureau of Human Resource and Organizational Development - School Effectiveness Division (BHROD-SED) is spearheading a study to evaluate the implementation of the LSAs in which results will be an integral input to the policy directions of LSAs as staffing complement in schools.
