Dear Sir:

Greetings from the PICE National Board of Directors!

The PICE National Board of Directors through the Conventions Committee, concerned Committees, together with the support of the PICE Davao City Chapter and the Secretariat are now once again preparing for most awaited blended conduct of the **49th PICE National Convention and Technical Conference (NCTC)** with the theme **"Innovations in Interdisciplinary Approaches to Civil Engineering Challenges"** scheduled on **24-25 November 2023** at the SMX Convention Center, SM Lanang Premier, Davao City. This event is expected to be attended by around 5,000 onsite delegates and around 10,000 virtual delegates through the convention virtual platform. The Registration details will be posted on PICE's Official Website (www.pice.org.ph), Facebook Page (www.facebook.com/PICENationalpage) and Facebook Account (www.facebook.com/pice.nati) once available. The hosting of the said event is supported by the PICE Davao City Chapter.

PICE National will host the event with the objective of providing members with the opportunity of:

1. Earning Continuing Professional Development Units pursuant to RA 10912; The Modularized Technical program will include topics on the state-of-the-art civil engineering technologies related to the seven (7) specialty divisions of PICE, namely: Project Management and Construction Engineering, Geotechnical Engineering, Structural Engineering, Transportation Engineering, Water Engineering, Environmental & Energy Engineering and Civil Engineering Education.
2. Keeping abreast with the latest technologies related to the civil engineering profession;
3. Fostering of unity and camaraderie among civil engineers and all technology providers in the profession; and
4. Identifying areas where Civil Engineers can be of help for inclusive growth of the country.

These events will feature the PICE Construction Technologies, Services and Building Materials Exhibit, PICE National Chapter Awards, Sports Tournaments, Plenary Session, Special Lectures, Technical Tracks, Election of the 2024 National Directorate and Fellowship.

In this regard, we would like to officially invite the civil engineers in your company to attend and participate to this event. We aspire to elevate the quality of civil engineering practice in the construction of infrastructure and social facilities or the competitiveness in the professional practice that confront the civil engineers.

We are looking forward to your participation in this important event.

Very truly yours,
