Office of the Schools Division Superintendent

DIVISION MEMORANDUM

SGOD-2025-0116

To: Assistant Schools Division Superintendent
Chief, Curriculum Implementation Division
Public Schools District Supervisors
Elementary, Secondary and Integrated School Heads
Elementary and Secondary Nurses
All Others Concerned

Subject: **HEALTH SYMPOSIUM IN PUBLIC SCHOOLS IN DAVAO DEL NORTE**

Date: March 24, 2025

1. In partnership with the Long Life Foundation International, this Office hereby informs the identified schools to allow and facilitate the conduct of the Health Symposium at any time this month. The symposium will last for at least 10-15 minutes. This Office shares their vision of a Sickness-Free Philippines.
2. Furthermore, the following were already transmitted to Long Life Foundation International:
 - a. No DepEd funds be utilized in the conduct of the activity.
 - b. Observance on non-partisan stance during this period of election
 - c. The utmost protection of government properties shall be ensured.
3. No disruption of classes shall be observed at all times.
4. Everyone is enjoined to continually support and recognize the value of equality and diversity as well as ensure strict adherence to the health and safety protocols in all undertakings relevant to the activity.
5. Immediate and widest dissemination of this Memorandum is desired.

REYNALDO B. MELLORIDA, CESO V
SCHOOLS DIVISION SUPERINTENDENT
DEPED-OFFICE DIVISION OF DAVAO DEL NORTE

SIR/MADAM :

Victims of heart attack, stroke, diabetes and cancer are ever increasing to its alarming level. In the previous years, these deadly diseases were known to afflict only the older people. But now cancer, diabetes and heart attack are victimizing younger ones. In fact Daily Inquirer in its June 9, 2001 issue reported 12,960 adults and 160 children below the age of 15 die of cardiovascular disease everyday. Global statistics revealed that the Philippines is now number one in breast cancer worldwide. And one out of five men will surely have prostate cancer after reaching the age of 40. These are indeed tragic and shocking health problems.

Long Life Foundation International, is committed to conduct health symposium on the latest discoveries of the world renowned scientist in the field of nutrition as an alternative preventive health care. Among those who pioneered in the field of nutritional therapy are Professor Dr. Donald Rudin, M.D of Harvard University; Nobel Prize awardees – Biochemist Dr. Roger Williams, M.D and Alternative Medicine Practitioner Dr. Julian Whittaker. The findings of these experts are topics to discuss in this health symposium.

In this regard may I request for your approval to allow our Preventive Health Care Lecturer and his/her Staff conduct the said "Health symposium" in your respective schools under your jurisdiction at least 10-15 minutes.

This is in cooperation with the Department of Health in their vision to provide total health care to all Filipinos through prevent and Alternative care.

Furthermore may I request you, not only to grant permission to your subordinates but encourage them to attend to this symposium. After all, it is for the benefits of your office to have healthy employees.

Be rest assured that health symposium will provide new insights on how to achieve disease-free and longer life. Let us work together to achieve "SICKNESS-FREE PHILIPPINES"

Attached to this letter is the approval of other Division offices.

Sincerely yours,

Dr. SAMMY BATIANCILA, MND
Preventive Health Care Education Director
Advanced Midologist Doc

Office of the Schools Division Superintendent

March 19, 2025

DR. SAMMY BATIANCILA, MND

Preventive Health Care Education Director
Advance Iridologist Doc.

Dear Dr. Batiancila,

We are pleased to acknowledge receipt of your invitation to participate in the health education program aimed at promoting a healthy community. We appreciate the opportunity to collaborate and support this noble endeavor.

In this regard, we are delighted to facilitate the participation of our 100 schools in your health education program. However, we would like to bring to your attention that our Office has issued a "No Disruption of Classes" order. To minimize academic disruptions, we propose scheduling health talks during the lunch break (12:00 nn - 1:00 pm) or after classes in the afternoon. This arrangement will be made in partnership with our School Heads to ensure smooth implementation.

Additionally, we would like to remind you that our Agency has strict adherence to the following in terms of activities to be managed by private organization:

- a. No Department of Education (DepEd) funds be utilized in the conduct of the activity.
- b. Observance of non-partisan stance during this period of election.
- c. The utmost protection of government properties shall be ensured.

For efficient coordination, please contact Dr. Henry S. Villarosa Jr., DFM, at 09176264196.

Thank you for your understanding. We look forward to a successful partnership in promoting health education among our learners and educators.

Very truly yours,

REYNALDO B. MELLORIDA, CESO V
Schools Division Superintendent
